2008 1 for 1 MATCH for NON-PROFITS

Application Form

What is the 1 for 1 MATCH all about?

For each dollar your non-profit spends on web design, programming, or other media related work, we will match that dollar with a dollar of our own. For instance, if your project is estimated to cost \$5,000, Elevacion would pay \$2,500 and you would pay the remaining \$2,500.

In 2007, we allocated approximately \$150,000 worth of assistance to 55 non-profits in order to help them with web design, programming, and media work. In 2008, we will allocate \$400,000 to non-profits on a first come, first service basis.
